

STONHARDS

RTZ

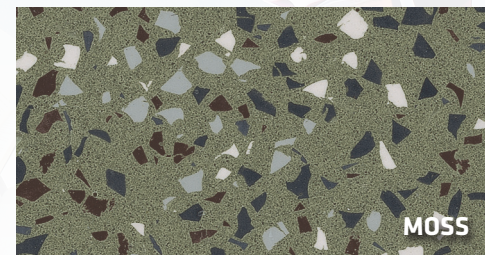

La tradición asociada a la innovación en un piso que se ha proclamado como su propio género. Stonres es un piso resiliente y sin juntas que combina elementos de diseño distintivos con rendimiento y funcionalidad, utilizando patrones elaborados en un sistema suave, resistente a las manchas, ergonómico y que reduce el ruido. Stonres RTZ se especifica con frecuencia para los quirófanos debido a su durabilidad, resistencia a las manchas y facilidad de limpieza. También cumple con los desafíos de muchos mercados comerciales, como la educación, los estadios y las tiendas comerciales. Hay disponibles colores personalizados, diseños de patrones y de logotipos.
