For Immediate Release

THE STONHARD GROUP ACQUIRES UK-BASED KEMTILE HYGIENIC FLOORING BRINGING MORE SOLUTIONS TO THE FOOD AND BEVERAGE INDUSTRY

July 26, 2018, Maple Shade, NJ – Stonhard, a global manufacturer and installer of seamless floors, walls and lining systems, has acquired Kemtile Hygienic Flooring, a UK-based company specializing in the design, supply and fitting of flooring for the UK food and beverage industry.

Kemtile has long standing relationships with architects, structural designers and specialist building contractors in the food and beverage industry. The company provides a wide range of solutions, including seamless resin flooring, ceramic tiles, drainage solutions, stainless steel curbs, guardrails and wall protection.

This acquisition will support Kemtile's growth in the UK and beyond, and will better position Stonhard to expand its presence in the UK with its unique supply and apply business model.

About Stonhard

Stonhard is a leading supplier of resinous floors, walls and lining systems used in a broad range of industries around the globe. With nearly a century of experience, Stonhard is committed to manufacturing and installing quality, seamless products that protect, maintain and enhance industrial and commercial environments. Stonhard is a brand of The Stonhard Group, a part of the RPM Performance Coatings Group.
