

Supermarkets. Super floors.

Stonhard's seamless floors give supermarkets the clean, safe, long-lasting floors they need to keep business going 24/7.

For nearly a century, Stonhard has been manufacturing and installing long-lasting, seamless floors for supermarkets, specialty food stores and big-box stores in:

- bakeries
- seafood counters
- delis
- meat prep areas
- food processing areas
- kitchens
- food concessions coolers
- store aisles
- cafes
- entry ways
- delivery & warehouses
- pharmacies

Stonclad® GS

Stonshield® SLT

Stonclad® UT

Our direct sales professionals, Architectural/Engineering group, along with a construction management team will support your project from product recommendations to final walkthrough.

- **Sanitary & healthy** – no joints or seams; keeps dirt & bacteria out
- **Slip resistant** – secure surface helps prevent slips & falls
- **Easy to clean** – quick & simple, no need for odorous or harmful cleaning products
- **Impact & abrasion resistant** – stands up to heavy traffic of people & carts
- **Long lasting** – no disruption of service due to repairs or loose tiles
- **Fast track installations** – no interruption to business
- **Custom designs, textures and custom logos available**

We manufacture and install our floors, taking full responsibility for the products and installation. Our direct sales representatives, along with our Architectural/Engineering team and Construction Management Group work with you from product recommendations to final walk through. Need references? We've got them. Call us today 800.257.7593 and find out which Stonclad product is right for your facility.
