

STONHARD'S SEAMLESS, CLEAN AND SAFE FLOORS STAND UP TO EVERYTHING FROM SPILLED NACHOS TO SPLATTERED SCIENCE EXPERIMENTS.

Stonhard's seamless, safe, long lasting and decorative floors perform in hot kitchens, withstand food spills, chemical spills, stains and throngs of daily foot and wheeled traffic. Our floors are impact, abrasion and slip resistant and can be found in schools throughout the world in:

-  Cafeterias
-  Kitchens
-  Labs
-  Multi-Purpose Rooms
-  Classrooms
-  Libraries
-  Locker Rooms & Restrooms
-  Hallways

STONHARD®

Stonhard, with 90 years of manufacturing and installation experience offer high performance floors that are easy to clean and noise-reducing. There are even systems that use recycled glass in the surface for a lasting environmental lesson. We have design elements to meet the demands of today's planners – broad standard color palette, custom colors, inlaid designs and logos, and enough choices to meet the needs of your entire school. Call us today and we will work with you directly, from specifications and design to final walk through.

Noise reducing, savvy designs for libraries and media centers.

Safe, slip resistant, stands up to hot and cold conditions for kitchens and food service.

Textured, protects from slips and falls, long lasting for rest-rooms and locker rooms.
